- An application Fee of \$50.00 is required to hold a slip. The fee will be utilized as follows:

- If the application is denied, \$25 will be returned
- If the application is canceled by the applicant, the fee will not be returned.

The rental rate is based on overall length: Boat or berth length whichever is greater. Final rental amounts will be determined when the boat arrives and is measured by marina personnel. Vessels are assigned berths that accommodate them with no overhang, except as permitted by Marina staff. If the boat is found to be too large for the slip, the tenant may be required to be relocated to a larger berth.
